

MATERIAL SAFETY DATA SHEET

ISSUE DATE: 1 March 2013

IDENTIFICATION

PRODUCT: MANURES

Hazardous substance. Non-Dangerous Goods

PRODUCT DETAILS

Product Name:	MAGIC BOOST COW MANURE, MAGIC BOOST FOWL MANURE, MAGIC BOOST SHEEP MANURE
Other Names:	As Above
UN Number:	Not allocated
Hazchem Code:	Not allocated
Dangerous Goods Class:	Not allocated
Poison Schedule:	Not allocated
Use:	Landscaping and general horticultural purpose

PHYSICAL AND CHEMICAL PROPERTIES

Appearance:	Brown, Grey and Black blend of materials
Odour:	Non specific "Manure" odour
Boiling Point:	Not applicable
Melting Point:	Not applicable
Vapour Pressure:	Not applicable
Flashpoint:	Not applicable
PH:	7.0-8.0

CONTACT DETAILS

Supplier Name:	Martins Fertilizers
Office Address:	Bellevalle Road YASS NSW 2582
Office Phone:	(02) 6226 5551
Office Fax:	(02) 6226 5553
Office Email:	admin@martinsfertilizers.com.au

HEALTH WARNING

- This product contains Micro-organisms
- Avoid breathing dust or mists – wear particulate mask if dusty
- Wear gloves and keep product moist when handling
- Wash hands immediately after use
- Read detailed health warning

HEALTH HAZARD INFORMATION

Acute Health Effects

Swallowed: Unlikely under normal conditions. Swallowing manure may cause abdominal discomfort and increase the risk of gastro-intestinal infections.

Eye: The dust and/or mist (bioaerosols) may be irritating to the eyes resulting in redness and watering, or eye infection.

Skin: Skin contact with these products and their dusts and/or mists (bioaerosols) may result in skin irritation and in some people may lead to skin sensitisation, dermatitis or skin infection.

Inhaled: Inhalation of dust and/or mists (bioaerosols) may irritate, inflame or sensitise the nose, throat and lungs, and aggravate pre-existing conditions such as asthma and bronchitis

Chronic health effects

Repeated inhalation of dust/or mist (bioaerosols) from these products may result in respiratory irritation, inflammation or sensitisation resulting in illnesses including hay fever.

FIRST AID

Swallowed: Give water to drink. Seek medical attention if any abdominal symptoms.

Eye: Irrigate immediately with plenty of lukewarm water for at least 15 minutes and if irritation persists seek medical attention.

Skin: Wash thoroughly with mild soap and plenty of water. If irritation persists seek medical attention.

Inhaled: Remove affected person from exposure to well-ventilated area. If irritation persists seek medical attention.

First-aid facilities: Eye wash station, running water, soap and sink.

Advice to Doctor: Treat symptomatically

FIRE FIGHTING

Product Flammability:	Non-flammable
Type of extinguisher:	Water or Class A extinguisher
Hazards from combustion:	No information available
Hazchem Code:	Not applicable

PRECAUTIONS FOR USE

Exposure standards

Work safe Australia Exposure Standard: There is no specific standard for soil and soil conditioner products including manure products.

Recommendation: Keep exposure to dust and/or mist (bioaerosols) from these products as low as practicable.

- **Total inhalable dust:**
10 mg/m³ (National Occupational Health & Safety Commission, 2000)
- **Total respirable dust:**
2 mg/m³ (American conference of Governmental Occupational Hygienists, 1986)

Engineering controls: All work with these products should be carried out in an open and well ventilated area. All work with these products should be carried out in such a way as to avoid skin contact and minimise exposure to dust and/or mist (bioaerosols).

Respiratory protection: Avoid breathing dust and/or mist (bioaerosols). Wear an approved P1 or P2 respirator suitable for respirable particulates and conforming to AS/NZS 1715 and 1716 when exposed to dust and/or mist (bioaerosols). These Standards should be followed in the selection, fit-testing, use, storage and maintenance of the respirators.

Skin protection: Wear standard duty gloves (AS 2161), loose comfortable clothing, and boots. Long-sleeved shirts and long trousers and recommended if skin irritation occurs.

Always wash skin with mild soap and water immediately after working with these materials. Launder work clothes regularly.

HANDLING & STORAGE

Precautions for safe handling: Avoid contact with eyes and skin. Avoid breathing dust and/or liquid mists (bioaerosols). Wash thoroughly immediately after handling. Wash work clothes regularly. Clean up by wet sweeping or vacuuming.

Conditions for safe storage: Store in a cool, dry place out of direct sunlight. Keep away from food, drink and animal feeding stuffs. Partly used bags should be closed well

TRANSPORT

Precautions for Transportation: Trucks to use tarpaulin to cover the load (for bulk deliveries)

No other transport requirements necessary.

DISPOSAL

Disposal Methods: Use personal protective equipment. Clean up by vacuuming or wet sweeping to avoid dust dispersal. Use product totally or collect in containers for re-use or dispose in accordance with local authority guidelines

ACCIDENTAL RELEASE

Emergency Procedures: Ensure adequate ventilation, avoid dust. Use personal protective equipment. Prevent product from entering drains or waterways. Do not contaminate surface water.

Containment & Cleanup: Vacuum, shovel or sweep up and collect in containers for disposal.

DETAILED HEATH WARNING

HAZARDOUS

MANURES AND OTHER ORGANIC GARDENING MATERIALS

This product is made from organic materials and contains living micro-organisms, including bacteria, fungi and protozoa. May also contain mineral and fertiliser additives.

RISK: Inhalation of dust and/or liquid mists may irritate, inflame or sensitise the nose, throat and lungs resulting in illnesses ranging from hay fever or asthma, to pneumonia (eg Legionnaire's disease) or pneumonia-like illnesses. Direct contact with this material or its dust and/or liquid mists (bioaerosols) may cause skin irritation (dermatitis), and skin or eye infection or irritation. People particularly at risk are those suffering from asthma or allergies, and those whose immune defence systems are compromised.

SAFETY: Avoid contact with eyes and skin. Avoid breathing dust and/or liquid mists (bioaerosols). Wear suitable protective clothing and standard duty gloves (AS 2161). If exposed to dust and/or liquid mists, also wear dust resistant eye protection (AS/NZS 1336) and particulate respirator (AS/NZS 1715 and 1716). Wash thoroughly immediately after handling. Wash work clothes regularly. Clean up by wet sweeping or vacuuming.

FIRST AID: Irrigate eyes with plenty of water for 10 minutes. Wash skin with soap and water. Seek medical attention for any persistent skin, eye or respiratory symptoms.
